

Ahmed Kosary

FullStack Developer

Cairo, Egypt · +201144486699 · ahmedskosary@gmail.com · linkedin.com/in/ahmedkosary · github.com/akosary

PROFILE

As a fullstack developer, I hold a Diploma in Open Source Application Development and specialize in both frontend and backend development. I have a deep understanding and proficiency in frontend technologies such as React, Angular, and Vue.js, as well as backend technologies such as Spring, Node.js, and PHP. With expertise in various programming languages, I deliver high-quality results across platforms and frameworks. My strong architectural design skills ensure the development of robust and scalable applications.

EDUCATION

10/2022 - 6/2023

INFORMATION TECHNOLOGY INSTITUTE (ITI)

Egypt
